Ex 02: Website for InternationalConference using CSS

Objective:

Develop a Website for an International Conference using HTML5 and Cascading Style Sheets.

Code:

Home Page:

```
1 <!DOCTYPE html>
2 <html>
3   <head>
4     <meta charset="utf-8">
5
```

```

6      <meta name="viewport" content="width=device-width,
7      initial-scale=1.0">
8      <link rel="stylesheet" href="style.css">
9      <title>International Conference</title>
10     <style>
11         h1 {
12             font-size: 100;
13         }
14         h2 {
15             font-size: 70;
16         }
17         span {
18             display: inline;
19         }
20     </style>
21 </head>
22 <body>
23     
24     <span>
25         
26         <ul class="navbar">
27             <!--
28             -->
29             <li>
30                 <a href="index.html" alt="Home page" target="_blank"
31                 title = "Home">Home</a>
32             </li>
33             <!--
34             -->
35             <li>
36                 <a href="committee.html" alt="Committees page"
37                 target="_blank" title = "Committees">Committee</a>
38             </li>

63     Intelligence in Data Science</h2>
64 </header>
65 <div class="content">
66     <h1 style="text-transform:uppercase;">About</h1>
67     <p>
68         The Department of Computer Science & Engineering
is proud to conduct and organize the <b><em>IFIP Event - 4
th International Conference on Computational Intelligence
in Data Science</em></b> on March 18-20, 2021.
69     </p>
70     <p>
71         The conference provides an opportunity for the
researchers, engineers, developers, and practitioners from
academia and industry to discuss and address the
experimental, theoretical work and methods in solving

```

problems related to **data science**. Also to share their experience and exchange their ideas in the field of **Data Science** and **Computational Intelligence**. This conference will be useful for professionals working in **data science**, machine learning, artificial intelligence and predictive modeling. This conference aimed to have expert talks, young researchers presentations, short papers and posters. Accepted papers that are presented at the conference will be included in the conference proceedings and published in the **<Springer IFIP AICT>** (**Advances in Information and Communication Technology**) series.

```

69   </p>
70   <p>
71     The conference also hosts two pre-conference
72     workshops on Deep Learning and Blockchain Technology. The
73     conference provides an opportunity for the researchers,
74     engineers, developers and practitioners from academia and
75     industry to share novel research aspects in the fields of
76     Data Science and Computational Intelligence.

Output:

Home Page:

The screenshot shows the homepage of the SSN College of Engineering website. At the top left is the college's logo, "SSN". At the top right are links for Home, Committee, Call for papers, Important dates, Workshops, Registration, and Contact. The main header features a photograph of a fountain and the text: "SSN College of Engineering", "Department of Computer Science and Engineering", and "International Conference on Computational Intelligence in Data Science". Below this is a section titled "ABOUT" with text about the conference, its purpose, and publication details. At the bottom of the page is a copyright notice: "Copyright © 2021".

Committee Page:

The screenshot shows the SSN College of Engineering website. At the top, there is a green header bar with the SSN logo on the left and navigation links: Home, Committee, Call for papers, Important dates, Workshops, Registration, and Contact. Below the header is a banner for the "International Conference on Computational Intelligence in Data Science". The banner features the text "SSN College of Engineering", "Department of Computer Science and Engineering", and "International Conference on Computational Intelligence in Data Science". The main content area has a dark green background and displays the "COMMITTEES" section. This section includes the "CHIEF PATRON" role with Dr. Shiv Nadar listed as the founder and chairman of HCL Technologies. It also includes the "PATRON" role with Dr. Kala Vijayakumar listed as the president of SSN Institutions. The footer of the page contains a copyright notice: "Copyright © 2021".

Call For Papers Page:

The screenshot shows the SSN College of Engineering website. At the top, there is a green header bar with the SSN logo on the left and navigation links: Home, Committee, Call for papers, Important dates, Workshops, Registration, and Contact. Below the header is a banner for the "International Conference on Computational Intelligence in Data Science". The banner features the text "SSN College of Engineering", "Department of Computer Science and Engineering", and "International Conference on Computational Intelligence in Data Science". The main content area is titled "CALL FOR PAPERS". It includes a brief description of the conference's purpose, a list of relevant topics, and a list of specific research areas. At the bottom of the page, there is a copyright notice: "Copyright © 2021".

Important Dates Page:

The screenshot shows the SSN College of Engineering website. At the top, there is a green navigation bar with the SSN logo on the left and links for Home, Committee, Call for papers, Important dates, Workshops, Registration, and Contact. Below the navigation bar is a banner for the "International Conference on Computational Intelligence in Data Science". The banner features a photograph of a circular water feature in a landscaped garden. Overlaid on the banner is the text "SSN College of Engineering", "Department of Computer Science and Engineering", and "International Conference on Computational Intelligence in Data Science". Below the banner is a section titled "IMPORTANT DATES" with a table of events and their deadlines:

Events	Dates/Deadlines
Paper Submission Opens	December 01, 2020
Acceptance Notification	February 15, 2021
Camera Ready Submission	March 10, 2021
Pre-Conference Workshop	March 18, 2021
Conference	March 18-20, 2021

At the bottom of the page, there is a copyright notice: "Copyright © 2021".

Workshops Page:

Registration Page:

The image shows a registration form for a pre-conference workshop. At the top, there is a navigation bar with links: Home, Committee, Call for papers, Important dates, Workshops, Registration, and Contact. Below the navigation bar, there is a banner with the text "SSN College of Engineering", "Department of Computer Science and Engineering", and "International Conference on Computational Intelligence in Data Science". The main form area has a title "PRE-CONFERENCE WORKSHOP REGISTRATION". It contains several input fields: "Full name" (with "John Johnson" entered), "Mobile number" (with "987654321" entered), "Email ID" (with "name@domain.com" entered), "Choose your category" (a dropdown menu), "Choose track" (another dropdown menu), and a "Submit" button. At the bottom of the form, there is a copyright notice: "Copyright © 2021".

Contacts Page:

Learning Outcomes:

- Learnt to build a website with HTML5 and CSS.
- Learnt to use inline styling by means of style attribute.
- Learnt to use embedded and external styling using **style** tag, and external stylesheets.
- Learnt the different types of attributes in CSS and their varied uses.
- Learnt to use animations and graphics using CSS.
